THE 35 HOUR WEEK

Altona council has no immediate plans regarding introduction of a 35 hour working week said the Shire President, Cr. S. G. McIntosh, at last Tuesday's council meeting.

This remark concluded his comments on the subject which was raised by Cr. H. W. Lee.

Cr Lee referred to recent criticism levelled at the ALP in connection with Labor policy on the 35 hour week. He particularly referred to the alleged dictatorial attitude of the ALP towards municipal councils having a majority of Labor councillors.

He said at a recent conference of 110 Victorian Labor councillors at which he was secretary, he was given the honour of handling publicity on this matter.

In the official statement released it was pointed out that the "State Conference varied the Victorian party's industrial policy to reduce the working week to 35 hours in line with the long-standing policy of the Australian Council of Trade Unions.

"This policy is designed to be applied to the total work-force.

"The decision made no mention of Labor controlled councils.

"In moving the recommendation of the Industrial Committee which contained the 35 hour week clause, a State Executive member, Cr D. Allen, pointed out that the decision would be binding on Labor councillors and the implementation of this policy in the field of local government will be dependant on economic circumstances appropriate to the reduction of hours generally, without any burden on ratepayers and in full conformity with the provisions of the Local Government Act."

Cr Lee said he hopes now that "those who were so quick to condemn will be as quick to rectify the damage that has been done to both the ALP integrity and to the integrity of the Labor councillors who sit in this council who have and who always will work for the best interests of all people in this community."

He said the council has not yet even considered the 35 hour week question, but he is sure when the council does it will do so with due regard to the normal council procedure of committee investigation and report.

In conclusion he suggested the Shire President must be more than concerned at the irresponsible reporting by the daily press and suggested he may wish to comment.

Cr McIntosh said—
"First let me point out that the decision of the ALP Annual Conference has been badly misrepresented. The ALP Conference did not make a specific direction to Labor councillors to introduce a 35 hour week in Labor controlled councils. What happened was that Conference varied the ALP's industrial policy to reduce the working week to 35 hours in line with the long standing policy of the Australian Council of Trade Unions.

The decision made no mention of Labor controlled councils.

"We have received assurances that the implementation of this policy in the field of local government will be dependant on economic circumstances appropriate to the reduction of hours generally without any burden on ratepayers and in full conformity with the provisions of the Local Government Act.

"As councillors will be aware, we are continually striving to improve the efficiency of operations of the Altona council by the introduction of new equipment and new techniques. It is our policy that the benefits of these technical changes should be shared alike by ratepayers in the form of improved services and by our staff in the form of improved wages and conditions.

"Recently, an automated office process was installed computing our rate notices which reduced the time of from months to days, yet involving the same number of staff. This is an example of what is being done in a number of fields. The Labor controlled council in Richmond by the same techniques, recently introduced marked improvements in industrial conditions and at the same time made a material reduction in rates.

"I am of the opinion that statements made for propaganda purposes in other councils about the alleged cost of a 35 hour week are completely untrue.

"If, in effect, such a policy would cost Coburg Council \$75,000 a year, as has been claimed, this can only be because the Coburg Council has fallen into the hands of an incompetent majority.

"I am sure that ratepayers will deplore the misrepresentation of the ALP Conference

decision for political purposes and accept our view that the Altona Council can by improved efficiency of its operations, introduce better conditions for staff and better services for ratepayers without additional cost to the people of Altona.

"This question will be kept continuously under review. In the meantime, we have no immediate plans regarding the introduction of a 35 hour week."

Cr J. J. Ginifer, who is a member of the ALP State Executive, pointed out that the Labor Party policy had been lagging behind that of the Australian Council of Trade Unions and that the 35 hour week decision was bringing the platform of the party up to date with modern practice.

He said some construed that it was mandatory for councillors to introduce the shorter week, but Cr Ginifer said it had no bearing on Labor councillors.

He said the shorter working week could only be introduced through the proper channels and regulatory powers as far as wages and tribunals are concerned.

Cr Ginifer concluded that implementation of the 35 hour week would be "fought through the proper channels."

THREE ALTONA LADS IN VICT. JUNIOR HOCKEY TEAM

Three Altona lads have been selected as members of the Victorian Junior Hockey team which will contest the Australian championships in Perth from August 27 to September 3.

One of them, 15-year-old Ross Ford (on the right of the above photograph) has been appointed captain of the team—the first time ever for an Altona player.

Fifteen-year-old Shane Cronin (on the left) and Wally Lenszyn (in the centre of the picture) are the other two players.

Ross was a member of the same team last year and was the leading goalscorer.

Shane was a member of the Victorian touring side in 1965 and also the leading goalscorer.

Wally is the most improved player in the Altona club.

Of the players selected for the 1966 Victorian junior team three are from the Altona club two from Power House and the rest singles from a number of clubs.

Previously two other Altona players have made this team—Dennis Bartlett in 1961 and Peter Hunter 1963.

Manager of the 1966 team will be Ross's father, Ron Ford. Ron, who is secretary of the Victorian Amateur Hockey Association Under Age Committee, will be managing his fourth Victorian junior team.

He also is president of the Altona Hockey Club.

Basketball Star Visits Altona North Tech.

Boys and staff were highly delighted and surprised last Thursday when 6ft. 4in. basketball star, S. T. Saffold, paid a surprise visit during the lunch hour to Altona North Technical School.

S.T. is one of the leading players of the San Jose State College team from California, United States of America, which is at present touring Australia.

The purpose of S.T.'s visit was to look over a typical technical school in this State—he is currently completing a five year education course at San Jose and naturally is greatly interested in Australian schools.

One of the first points of interest to S.T. was of course the basketball set up in the school, and he was more than a little impressed with the enthusiasm of the players. He also expressed great interest in the layout of the proposed assembly hall which will, of course, double as a basketball centre.

A greater point of interest, however, was the obvious progress being made throughout the Altona district and it may not be too much to hope that he one day returns for a longer visit.

Further Work on Water Mains

The Board of Works has announced further work on water mains in the area north of the Geelong railway line and between Millers Road and Mills Street, Altona North.

Cr J. J. Ginifer reports that private mains are to be replaced and some new mains will be installed. The total of 654 chains to be laid will practically finish work in this area and will be installed before the streets are made.

A 6" main will be laid in sections of Millers Road, Mills Street and McIntosh Road. Other work will be carried out in sections of Bryan Avenue, Hatherley Grove, Allan Street, Sixth Avenue, Fifth Avenue, Third Avenue, Second Avenue and First Avenue.

CENSUS DAY TODAY

Today, Thursday, June 30, is the day everybody counts. It is the day of the seventh Commonwealth census.

Census forms have been delivered to each home and every household is asked to spend about 20 minutes time tonight reading carefully and accurately answering questions on the form.

The answers given are absolutely confidential. They are to be used for compiling impersonal statistics and by law nothing of a personal nature can be disclosed from the census forms.

During the next week an official collector wearing a blue badge emblazoned with the words "Census Collector" will collect the forms.

The previous census taken in 1961 revealed a population of 10,508,186. This year it is expected to be 11,580,000.

Arrived Too Soon!

After three daughters Mrs L. Evans, of Seaholme Ave., Seaholme, was hoping the baby due this month would be a son, but she never dreamt the impact his entry into this world would make on a number of people when he was born in the back of a car somewhere between Seaholme and the Women's Hospital.

Last Sunday morning Mrs Evans decided it was time to go to hospital but as her husband was at work, next door neighbours, Mr and Mrs W. Griffiths, offered to drive her to the Women's.

Apprehension set in along Millers Road when Mrs Evans announced the baby's birth was imminent.

Help was sought at Kingsville Police Station where the man on duty was a 19-year-old constable.

However, ladies from nearby helped with the birth which was all over before the arrival of the ambulance. The ambulance attendants considered it wiser to leave the mother and new baby undisturbed in the car and Mr Griffiths continued his way to the Women's. Here he was met by Mr Evans, who was completely unaware of the eventful drive from Seaholme.

New Infant Centre in Altona North

The new Altona North Infant Welfare Centre, at 30 Ronald Avenue will open next week.

Sister M. Hearn will be in attendance on Wednesday, July 6, from 9 a.m. to 12 noon and 1.30 p.m. to 4.30 p.m.

On Friday, July 8, the centre will be open from 9.30 a.m. to 12 noon. In the afternoon Sister Hearn will be engaged in home visiting.

From now on the centre will be open for these hours each Wednesday and Friday.

On the other days of the week Sister Hearn is in attendance at the Altona West centre.

With the completion of this new building Cr G. den Dulk points out that all residents "should realise these facilities cost money and are a burden to the municipality to be carried by all."

He said that infant welfare centres and kindergartens take a large "bite" out of the year's working capital and he hopes the people appreciate this. They account for large capital expenditure and should be available for use for many years.

Cr den Dulk asked residents to take care of the buildings and to report any persons seen causing damage to the Shire property.

EDITORIAL

LETTERS TO THE EDITOR

It is good to see the increasing use of the columns of the "Altona Star" as a forum for the people of Altona.

This paper endeavours at all times to give objective accounts of news and sporting items. It restricts its comment to informative background details. It presents its impressions of current happenings and meetings.

There are other viewpoints.

It is quite fitting that those who disagree or agree with the "Star" should say so. It is well that any who have a worthwhile inspiration, or, a distaste for an existing condition, or a suggestion that will benefit Altona should be given an opportunity to publish it. It is right that those who would criticise or praise the Altona council either on general principles or in matters of particular detail should have reasonable space in the "Altona Star" for this purpose. The latter is most important. It is a fact that the majority of letters appearing in these columns are related in some way to the council.

These are welcome for two reasons. They do show democracy in operation at the citizen level but more importantly they give evidence of an interest in council affairs not always apparent.

All councillors, we think, will agree that comment from ratepayers, even sometimes in the form of adverse criticism is to be preferred to tacit but unspoken approval.

Our columns will continue to be open for the views of readers on matters of interest to Altona's people.

LOWER YARRA CROSSING

Mr J. W. Waters (Shire Secretary) announced that Sir Thomas Maltby, Minister of Public Works, hoped in the near future to make a statement regarding a crossing over the Lower Yarra. It is understood a bridge will be built by private enterprise. Department files on the project go back to 1888.

MORE KINDERGARTENS

Cr W. G. Cresser said he had several requests for the establishment of kindergartens in the north and west of Altona. Cr Cooper said one was needed in Seaholme, too. The matter will be discussed at the next council meeting.

1st Altona Scouts

The Group Committee of the 1st Altona Scouts is holding a beetle and games night at the Scout Hall on Saturday, July 9.

This will be an evening that all the family can enjoy, so please make a note of the date and come along with your family.

ALTONA'S POPULATION

Estimated at 16,200 (1961 census gave the figure of 16,167). It is further estimated that there are 4000 children at schools and 2000 under school age children.

ALTONA WORKING MEN'S CLUB NEWS

Visit By Colac Club To Altona

There was a full house of indoor bowlers at the club last Saturday night when teams from Colac competed against teams from the three metropolitan areas of the Victorian Indoor Bias Bowls Association.

A total of 96 bowlers in 24 teams took part in the competition conducted by the VIBBA.

The Altona club was represented by one team captained by Jack Gore, which won two games and lost one. In addition four members were emergencies and fortunate to get a game with Colac which did not have a full quota of 12 teams.

No team was good enough to win the three games, but the honours went to one of the Colac teams with two wins and a draw. The team received trophies presented by the VIBBA.

All present, including a few club members as visitors, had a thoroughly enjoyable evening. Supper was provided by the VIBBA and was efficiently handled by the ever-willing group of ladies who performed an excellent job in the kitchen.

FILM NIGHT, JULY 1

The second film night will be held at the club tomorrow night with the screening of "Dr. Strangelove (or How I Stopped Worrying and Learned to Love the Bomb)" featuring Peter Sellers.

Members will thoroughly enjoy this film, but have only another day left to obtain tickets, priced at 50 cents each, including tea and biscuits after the show.

The show for members and friends over 21 years of age commences at 7.45 p.m. with shorts.

EUCHRE CARD NIGHT

On Saturday, July 2, at 8 p.m. the euchre players will again assemble for their monthly card game.

Members are urged to come along and bring a friend to enjoy a good game of cards in pleasant company and comfortable conditions. Admission by donation of 30 cents with supper provided.

GARDEN SECTION

The next meeting of the Gardening Section will be on Friday, July 8, at 8 p.m. and a full muster of garden enthusiasts is anticipated.

During the last few weeks much hard work and planning has been put into the garden layout around the club building and particularly at the front entrance, and it is understood ideas are maturing for the next stage of the project.

The date, preliminary arrangements and general organisation for the third annual Flower Show in November will be the main item on the agenda for this meeting, so please make a special effort to be in attendance.

MIXED SPORTS NIGHT

Saturday, July 9, is the date set for the club mixed sports night when it is planned that 16 teams of three should compete in darts, hockey, bowls and peg quoits.

Entrance fee is 30 cents per player or \$1.20 per team with prizes for each member of the winning team and individual prizes for other events.

At the conclusion of the sporting events supper will be served and trophies presented and it is then intended to conclude the evening with a dance.

All members interested in taking part in this sports evening are requested to hand their names to members of the committee for this function—Messrs. H. Gibson, C. Thompson, G. McCallum or W. Spence.

It would be a great help to the committee if members would take the initiative and make up their own complete teams and hand details to the committee. This would save a lot of time on the actual night and allow a prompt start to be made at 7.30 p.m. Sports events and supper should be concluded by 10.15 p.m. and dancing will continue until 11.30 p.m.

SECOND CLUB DANCE

Following up the success of the first club dance in the club building last May, the social committee has now organised another for Saturday, July 16, commencing at 8 p.m.

Tickets priced at \$1 each (including supper) are selling fast and if members wish to be in it, they have until Saturday, July 9, to purchase a ticket.

This dance is for members and friends over 21 years of age only and to comply with the conditions of the Licensing Court and club by-laws liquor cannot be permitted on the club site.

SNOOKER CONSOLATION

Congratulations to Charlie Trickey who narrowly defeated Keith Neyland in the final of the snooker competition for the consolation prize.

The billiards committee is making the necessary arrangements for presentations and also is organising future competitions. Notice of same will be posted on the billiards notice board.

CAMERA CLUB SECTION?

A few members interested in photography have suggested the organisation of a new club section for this interesting hobby.

If a reasonable number of members show enough interest to justify convening a meeting to start such a section the club facilities will be placed at their disposal.

Members interested are requested to please register their name at the club office.

OBITUARY

Mrs Emily Elizabeth Ball died suddenly at her home in Blyth Street, Altona, last Saturday, June 25, aged 75 years.

Mrs Ball and her husband came to Altona nine years ago and three years ago moved into the then new Darby and Joan flats in Blyth Street.

Mrs Ball was a foundation member of the Altona Elderly Citizens Club.

She is survived by her husband, three daughters—Joan (Mrs Coward), Peggy (Mrs Noble, of Civic Parade) and Dorothy (Mrs Whitaker), four grandchildren and two great grandchildren.

Youth Fellowship

Members and their friends only are invited to St. Eanswythe's Youth Fellowship tea in the church hall next Sunday, July 3, at 6 p.m.

The tea will be followed by a church service and then activity in the hall.

Junior Rechabites to Re-start

On February 21, 1922, the Seaview Junior Tent No. 492 was opened at Altona. The meetings were held in the old Progress Hall under the leadership of E. R. Anderson, of Williamstown and T. Fleming, of Blyth Street, Altona.

The following officers were installed on the opening night: Chief Ruler: Lawrence Fleming; Deputy Ruler: Henry Davis; Past Chief Ruler: Eric Chandler; Secretary: Edward Harris; Writing Steward: Thomas Fleming; Money Steward: Frank Howard; Levite: Percy Burt; Guardian: George Thomson. Records show that the Junior Tent was eventually closed on July 18, 1928.

Rechabite history of Altona will be re-named when the Seaview Junior Tent will be re-opened on July 7 in the Baptist Hall, Sargood Street, Altona. The Junior Section caters for children from 8 to 16 years. There is an attractive brochure available outlining the objects and activities which can be obtained from the adult secretary, A. Herlaar, 6 Bell Avenue, Altona West, telephone 398-1546, or A. Dyer, 33 Romawi Street, Altona, 398-1527.

Mr and Mrs C. D. Troy, of 79 Maldstone Street, Altona, have pleasure in announcing the engagement of their second daughter, Iris Kay, to Maxwell Robert, youngest son of Mr and Mrs A. Vogeles, of 19 Bunting Court, Altona North.

Mothers' Club Celebrates Birthday

More than 40 ladies and a lone gentleman, Mr Sier, head master, sat down at the attractively set tables for the seventh birthday luncheon of the Altona High School Mothers' Club held at the school last Tuesday.

Besides Mr Sier guests included Mrs Blackstock, of the Federation of Mothers' Clubs, Mrs Holmes, secretary at Altona High, and representatives of clubs from nearby schools.

President of the club welcomed the guests and introduced Mrs Blackstock, who announced that four members—Mesdames Marr, Whiter, Sloan and Beittins—are due for service bars. These ladies have already received certificates for completing five years of service to the Mothers' Club and the bars are for additional years of service.

The birthday cake was the work of two members—made by Mrs Garde and decorated by Mrs Bonnett.

Mr Sier said in his six months at the school he had noted how hard the mothers worked and he knows they will continue to do so in the near future. He said he was very pleased at the innovation this year of two representatives of the club being elected to the Advisory Council.

Now the Mothers' Club will have a say in how the money they work to raise is spent.

Flew to USA For Students Congress

Two weeks ago two young Altona residents flew to the United States to attend a Lithuanian students congress.

During their six weeks away Martin and Eva Didzys, son and daughter of Dr and Mrs W. M. Didzys, of Queen Street, Altona, will visit New York, Chicago, Los Angeles and other major cities of America.

Martin graduated as a pharmacist 12 months ago and is employed by Mr Ian Herbert in his Pier Street pharmacy.

Eva, a Bachelor of Arts graduate and holder of the Diploma of Education, has been granted leave of absence from her teaching position at Kynton High School.

LADIES GUILD

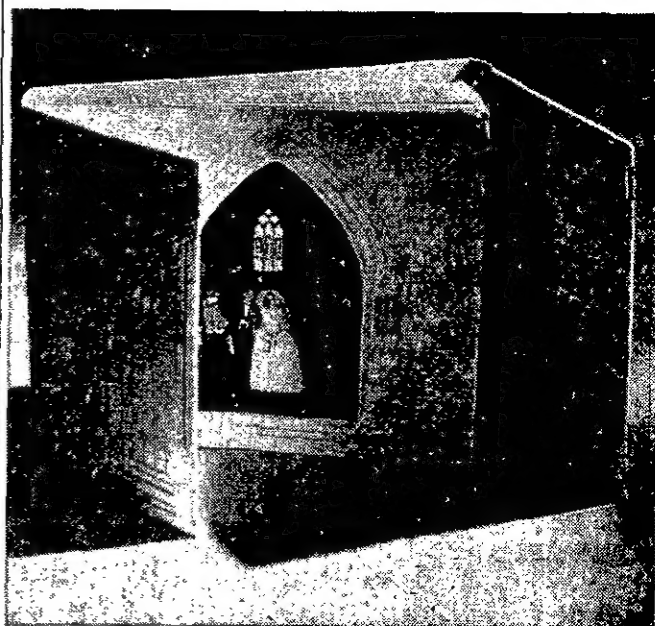

The Ladies Guild of the Altona Presbyterian Church will be holding a street stall in Harrington Square next Saturday morning, commencing at 9 a.m.

Cakes, groceries and other items of produce will be on sale at competitive prices to suit you.

Altona High P. & C. Meeting

Altona High School Parents and Citizens Association will meet at the school next Monday evening, July 4, at 8 p.m.

All parents are invited to attend meetings of the association held on the first Monday night of each month and so take advantage of this opportunity to be kept up to date with matters concerning the school and their children.

Successful APEX Convention

"While there are organisations such as Apex, with members prepared to give their time to help others, the country must progress."

This was stated by the Shire President of Corio, Cr. E. G. Mallett, when he opened the annual convention of District 1 of the Association of Apex Clubs at Norlane on Saturday.

Cr Mallett said that organisations which performed service work for the public merited praise.

He said that service and charitable organisations and groups which sponsored appeals played an important role in our country.

"A lot of people think that the Government should do these things," he said. "But I feel that while there are organisations which give their time to these things our country must progress."

Representatives of the eight clubs in the district, including Altona, took part in discussion on a wide range of community matters at the convention, which was held in the Centenary Hall.

The convention resolved to—

- Adopt the work of Australian Volunteers Abroad as a district service scheme. Under this decision, clubs will contribute towards the cost of sending young Australians to under-developed countries and islands to work without wages, to help lift the standard of living in those countries. AVA has many willing to serve in this way, but lacks the means to provide for them all. (Sponsored by Sunshine Apex Club.)

- Suggest that the Zone Convention (40 clubs) nominate the establishment of Community Aid Abroad groups as the service scheme for the association (some 500 clubs) for 1967-68. Under this scheme, which was founded in Geelong and is now Australia wide, clubs would convene groups of people to work as a committee for projects in poor countries overseas. Where there are already groups, clubs would raise money for the group. (Belmont Club.)

- Actively assist local blood banks in a drive for donors as a district service scheme for the coming 12 months. The convention was told that blood banks needed donors to help them in their very human task of meeting the needs of sick patients. People were often willing to contribute to the hospitals and the Red Cross bank, but they needed organising. "There is no financial outlay," said a representative of the sponsor club (Geelong).

- Have clubs pay for the cost of printing 4000 copies of an article which appeared in "The Apexian" and distribute the copies. The article put forward facts and asked readers to decide whether or not there was a crisis in education. This resolution was introduced after the subject had been discussed as a forum among groups of club representatives. The discussion chairman was Mr Max Kidd, president-elect of Altona Club.

The Corio Apex Club, which was host club for the convention, had signal success in two aspects of the proceedings.

Mr Ian Spencer, of that club, won an election for the district governor for the 1966-67 year.

The Corio representative in the public-speaking contest among the eight clubs was judged winner. He was Mr John Nicol, who spoke on the road toll and measures which might be considered to counter it.

Two other speakers, Dr Paul Williams (Sunshine) and Mr Peter Jackson (Barwon) both spoke on the need for support for amenities for mentally retarded children. This is the subject of a current ser-

vice work scheme which is under way throughout Apex at present. Dr Williams said that retardation was the unfortunate result of one of several medical conditions.

Sunshine was selected as the venue for the district convention next year.

The district governor, Mr Jack Foskett, of Altona, reported that an aquatic carnival conducted by the Belmont Club with the support of other Geelong clubs, had been a venture of a grand scale.

The president of the Belmont Club, Mr Ian Drew, said that the carnival was held on the Barwon and estimates of the numbers there ranged from 5000 to 9000.

"In anybody's language that was a successful project," he said.

The results was a profit of about \$1000.

The district governor reported that all clubs in District 1 contributed toward the project of Group Captain Cheshire to meet the needs of people in India. As a result, Group Captain Cheshire received a cheque for \$2000 from clubs in Zone 1 some weeks ago.

Barwon Club was congratulated on having defeated Altona in the final of the Oasis Shield debate among the clubs of District 1 three weeks ago.

Coburg Club was reported to have grown from some 18 to 30 members during the year and to now be a strong and active club.

Mr Bruce Adams reported that a combined service scheme was undertaken by the Geelong clubs. They installed a large area of concrete as a walk for residents of the Grace McKellar House. The path had to be very level, for the convenience of elderly patients who were taking their first steps after having been laid up.

"Apart from helping the old people, the relationships between the clubs were cemented," he said.

He added that a "Heavy Harry" locomotive had been bought by Apexians for hiring to groups. Apexians would man in and take picnic school groups and fete train rides.

Corio Apex Club reported having planted about 15 acres in oats. It was hoped to make about \$360 for the club's charity account. "The idea was the result of having a farmer in the club," the convention was told.

The wives and girl friends of members of the four Melbourne clubs were guests of Geelong womenfolk on Saturday afternoon.

At night a dinner and cabaret dance took place in the Centenary Hall.

J.C.W.'s SHOW BUSINESS NEWS

If one were asked to name the four or five longest running musicals ever to have played London, we doubt if many would come up with the correct answers. On the 20th November, 1965, Lionel Bart's musical 'OLIVER' broke all previous records. The existing records have been 'Salad Days' at the Vaudeville Theatre, 2283 performances, 'My Fair Lady' at the Drury Lane Theatre, 2282 performances, 'Chu-Chin-Chow' at Her Majesty's Theatre, 2248 performances, 'The Boy Friend' at Wyndham's Theatre, 2084 performances, and on the evening of Saturday 20th November, 1965, 'OLIVER' chalked up 2284 performances.

When his musical was originally presented in Australia by J. C. Williamsons, due to previous commitments and contracts covering some of the artists, and previous scheduling of shows and the non-availability of theatres, only Sydney was played and a curtailed Melbourne season. Since that time the J. C. Williamsons Managers in all of the other capital cities and in New Zealand have been continually inundated with requests for the 'Firm' to consider re-staging this most notable production.

The new production of 'OLIVER' directed by famous London Actor/Director Richard Wordsworth, will play at Her Majesty's Theatre, Melbourne from Saturday 20th August, prior to going on to conquer the other states and New Zealand. Mr. Wordsworth will play the role of 'Fagin' and 'off-beat' casting has Toni La Ond as 'Nancy'. But this time it is a 'new look' Toni—a natural blonde she has dyed her hair jet black for the role and it changes her entire personality. This is Miss Lamond's second musical for J. C. W.'s—her first being the highly successful 'PAJAMA GAME'.

Experiment With Road Surfacing

A section of Mount Street, Altona, between Blyth Street and the Esplanade has been resurfaced with bituminous emulsion slurry—a method which is new in Victorian.

This seal has been used extensively in America and recently in Sydney and Adelaide.

Shire Engineer, Mr. R. C. Simmons, reports the work in Mount Street is a trial section and is likely to lead to extensive use of the method under certain conditions.

In answer to a question from Cr. W. L. J. Crofts, Mr. Simmons said there could be a number of advantages in using this material—it is much cheaper and in old streets where stones are sticking up in the road, such as Mount Street, it gives a much better seal than bitumen. He said he understands it is a success interstate but it remains to be seen here.

One disadvantage is that at this time of the year the bituminous emulsion takes time to dry.

TWO CHARGED AFTER BRAWL

Two youths from Altona North and Yarraville faced unusual charges at Williamstown Court last week following incidents outside the Newport Library Hall on Saturday night, June 11.

Stuart John Perry, butcher, of First Avenue, Altona North, and John Zelunka, of Severn Street, Yarraville, were charged with assaulting divers liege subjects of Her Majesty the Queen whose names are unknown to the informant (First Constable Kevin Robinson).

They were also both charged with offensive behaviour and using indecent language. Mr Perillo appeared in court for both defendants who pleaded not guilty of all charges.

A third youth, Ronald Graeme Smith, of Darnley Street, Braybrook, also pleaded not guilty to a charge of offensive behaviour. Mr Hempel appeared for him.

The cases were part heard last week and were to be resumed at a later date.

ALTONA WEST v. WERBEE FOOTBALL

Although West had a two point lead at half-time the Werribee firsts managed to win by two points after an exciting tussle. Final scores were Werribee 3-7-25, defeated Altona West 3-5-23.

GOALS (Alt. West): de Neef 1, Melville 1 and Eaton 1. BEST (Alt. West): de Neef, Melville, Eaton, Stephenson, Carter and Hayes. (Werribee): Grey and Morrison.

A scrumbly game by the seconds resulted in a good win by Werribee, 7-11-53, to Altona West's 5-7-37.

GOALS (Alt. West): Galea 1, Hunter 1, Pappas 1, Dern 1 and Messer 1. BEST (Alt. West): Dern, Broughton, Grieve, Galea, Messer and Jones. (Werribee): McKee, Hopper and Ravanese.

BASKETBALL

Werribee teams proved superior to Altona West in both matches. The firsts won 23-10 and the seconds 11-0.

BEST for Altona West firsts were Ann Wigglesworth, Judith Bouce and Vesela Nadinic. Best for the seconds were Monica Zepart and Jennifer fer Smith.

R. Burnett from the Altona West Primary School gained her Senior Swimming Certificate during the past season.

METRO. FOOTBALL LEAGUE—1st XVIII ALTONA LOSE ON THE LAST KICK

DEER PARK	1-1	2-7	3-9	6-15	—51
ALTONA	2-0	3-1	4-6	7-8	—50

GOALS (Altona): Wooding 2, Rohleder 2, Wenlock 1, M. Piovesan 1 and Rielly 1.
BEST (Altona): Devereaux, Tyrrell, Harris, J. Petersen and Rohleder.

REPLACEMENTS: R. Petersen (19th man) replaced B. Locke (unavailable) and once again Altona had no 20th man. It is about time the club named a few emergencies to go with the Senior team. If they did they would not find themselves in the embarrassing position of being short.

The game on the whole was a battle of the respective defences, with the centreline playing a major part in this very important match to decide which team would go into fourth position.

In the centreline duels Graeme Tyrrell was a dominating player for Altona. With his strong marking and kicking he dominated the centre from the start, but did not receive too much support from the wingmen.

As you will notice from the scores neither team had a comfortable lead at any stage of the game—there was only one straight kick difference in the game all day.

Bill Devereaux, whether back pocket or roving, was always an attacking player for Altona. John Petersen (rucking and playing in defence) marked strongly for Altona. There are certain players in Altona's team who think they are bigger than the club, but the sooner they learn that the club is bigger than the indi-

vidual the better off they will be and so will the club.

Altona played its best football for some time because they were prepared to go in and get the ball and when they got it they looked for someone down field.

On the whole Altona were very unlucky to lose the game. A good result would have been a draw, but this was not to be.

NEXT GAME

This Saturday, July 2, Altona play East Brunswick at Grant Reserve. This game promises to be a very interesting one. The game commences at 2.15 p.m., so all you old players and supporters, how about coming along and supporting the local boys.

CONGRATULATIONS

The committee and players of the Altona Football Club wish to congratulate Barry Hogan and his wife Faye on the birth of their baby daughter. Congratulations also to the grandparents, Mr and Mrs Ron Hogan.

METRO. FOOTBALL LEAGUE—2nd XVIII ALTONA RESERVES TRY HARD

RICHMOND	6-7	7-9	10-18	12-23	—95
ALTONA	1-0	2-5	2-5	4-10	—34

GOALS (Altona): L. Thompson 2, R. Sutherland 1 and E. Ardizon 1.

BEST (Altona): L. Thompson, B. Salisbury, B. Meddings, Morrie Tisdale, I. Tabb and D. Hardham.

Richmond won the toss and elected to kick to the Civic Parade end with the wind.

This was a rather scrappy quarter with Richmond Districts in the attack for most of the time.

Only for the well disciplined play of Bob Salisbury, Bob Meddings and Dennis Hardham Richmond would have been well in control of the game by the first change.

The second quarter opened with Richmond going in to attack, only to be turned back by Altona's defence.

The ball was forced down into Altona's forward zone, but was rushed over the line and out of bounds in the forward pocket.

On the throw-in L. Anderson gathered in the ball and snapped a second goal for Altona. After the bounce the ball was forced in to Richmond's forward zone, only to be turned back by N. McCarthy after taking a spectacular mark.

Richmond's team work started to come into play

much more noticeably now, but Altona's backline still held strong to let only one goal through for the term.

McCarthy, who played a very strong and determined game, was replaced at half-time with injured legs.

Richmond's team work and backing up was really noticeable this quarter, although I. Tabb, B. Rose, B. Salisbury battled hard for Altona.

After orange-time Altona played with more determination.

They took the ball to their forward line for two thirds of the quarter, but could not capitalise on their advantage.

Highlights of the match were Lou Thompson's mobility and marking in the forward pocket, always a damaging player.

B. Salisbury, R. Meddings and D. Hardham were always a strong barrier with their hard tackling and clearing dashes.

E. Ardezon and N. McCarthy made their presence felt in their first game.

WESTERN SUBURBAN F.L.—OPEN AGE LAVERTON DOWN IN CLOSE GAME

MAIDSTONE	2-6	6-9	7-13	9-14	—68
LAVERTON	1-0	5-4	7-7	8-16	—64

GOALS (Laverton): N. West 2, D. Jarrat 1, G. Dickson 1, K. McKenzie 1, J. Pyne 1, N. McKenzie 1 and T. Sewell 1.
BEST (Laverton): Allan Fraser, Robert Rigney, Trevor Sewell, Geoff Cameron and Allan Chandler.

Maidstone began well by scouting around the packs and kicked four quick behinds.

Laverton replied with a glorious goal by Dave Jarrat. Alan Fraser and Robert Rigney were winning on their wings but the Magpie forwards were letting them down.

The second quarter began and Laverton had the wind. Noel West kicked two goals, followed by Graham Dickson and K. McKenzie. The play was all Laverton, but unwarranted free kicks left Maidstone in the game.

Maidstone scored against the wind with two free kicks in front of goal for majors. Two more goals came from fine play.

Laverton came back in the third term and kept the ball in the open. Sound handball around the ground kept the Maidstone backs busy. K. McKenzie and N. McKenzie were in everything. Trevor Sewell was taking finger-tip marks around the forward line. Alan Chandler and Hank Dunstan kept the Maidstone men at bay for most of the quarter.

The final term saw the Magpies really peppering the goals, but poor kicking cost them the game.

Laverton kicked 1-9 out of 13 shots for goal. Maidstone held on well and scraped in by four points.

WESTERN SUBURBAN FOOTBALL LEAGUE NEWPORT LOSE IMPORTANT GAME

Maidstone and Central Altona continued on their winning ways by defeating Laverton and Newport respectively.

Centrals face their biggest test this week against West Newport, the only unbeaten side, and the following week Maidstone have their chance to topple the leaders.

In the Under 18 Altona showed their superiority by thrashing West Newport, who were expected to do much better. Central Altona, three goals behind at half-time, slammed on seven goals in the third quarter and held off Werribee in the last to win by nine points in an excellent game.

West Newport and Werribee provided a dazzler in the Under 16 with West winning by six points. Straighter kicking by Werribee could have given them victory.

CENTRALS HAVE LAST-KICK WIN

CENTRAL ALTONA	0-2	1-5	5-11	8-12	—60
NEWPORT	2-2	6-5	6-5	8-8	—56

GOALS (Central Altona): T. Holland 2, D. Kakoschke 1, J. Robinson 1, G. Harrington 1, J. Lott 1, D. Robinson 1 and C. Peatling 1.

BEST (Central Altona): J. Cargill, J. Robinson, and E. Jepsen.

Central Altona lined up for the start of the game without captain-coach B. Trevean, E. Wallace and O. Stumbass, all injured.

Newport attacked from the bounce and had the Central defence on the go for practically all the quarter. Only for the strong work of E. Jepsen, M. Sayers and C. Peatling Newport would have been further ahead than two goals at quarter time.

The second quarter followed the same pattern, with Newport in attack constantly.

When the Centrals defence forced the ball over the centre line, it must have been heart breaking for them to see the Newport defence, led by Jack Evans, kicking the ball back to them. A good piece of handball from D. Robinson to G. Harrington resulted in Centrals only goal for the second quarter.

In the third term Central Altona showed a lot more determination to win the ball and displayed the form which won them a premiership last season.

Goals by Kakoschke, Holland, Lott, and J. Robinson, and strong defensive play by Central defenders drew the scores level at three quarter time.

After the orange break, both sides threw themselves into the game, showing vigour and determination.

Newport went to a 14 point lead but then goals by D. Robinson and C. Peatling brought the difference to two points.

With only 30 seconds to play T. Holland grabbed the ball, ran into the goal square and kicked the winning goal for Central Altona to win by four points.

For Centrals J. Cargill showed a welcome return to form and continually gave drive from the wing. J. Robinson shifted from full back to the ruck when B. Trevean was unavailable and really set the example for the rest of the players with a hard, tough game. E. Jepsen refused to give in at centre half back, and with the other 17 players showed sheer determination and proved their worth to be in any football team.

WESTERN SUBURBAN F.L.—UNDER 18

Altona Swamped West Newport

ALTONA	5-4	8-7	14-15	20-19	—139
WEST NEWPORT	1-2	1-4	2-5	5-9	—39

GOALS (Altona): Hobbs 5, MacFadyen 4, Hogan 3, Allen 2, Walker 2, Wenlock 2, Duncan 1 and Haugh 1.

BEST (Altona): Peachy, Thomson, Walker, Allen, Hobbs, Wenlock, Boyle, Duncan and every other player.

Although selection of Altona's team was delayed until 30 minutes before the game because of doubts about the fitness of some of the players after attacks of flu, the only change from the victorious team of the previous week was "Box" McGarry for Bob Richardson as 20th man. This delayed selection seemed to spur the whole side as they took another step forward to the premiership.

Sam MacFadyen won the toss and kicked to the swamp goal assisted by the breeze. Play saw-sawed between the half back lines until Ian Haugh from a nice mark kicked Altona's first goal with a long driving drop. From the centre bounce West Newport attacked and aided by a free scored a behind. Peachey was dominating on the wing for the locals and repeatedly drove them forward for MacFadyen to score a behind. Then Wenlock marked from Boyle, but his shot was touched on the way through.

Still pressing the attack MacFadyen scored Altona's second goal. Altona's half back line, aided by Taylor in the back pocket, halted West's next attacks and Peachey was the leader in getting the ball to the Altona forwards, who scored behinds by Boyle and Walker before the mercurial MacFadyen kicked his second and Altona's third goal for the game.

West were unlucky in their next attack as the ball was touched on its way through. From Butterworth's kick-off the ball was raced the full length of the ground and once again it was MacFadyen who marked and kicked truly.

A goal to West Newport followed by a towering mark to Tom Hogan and he too was on target to take Altona further ahead.

The second quarter opened slowly as the opposing ruckmen played negative football, all being more interested in the opposition's tactics than their own.

Eventually Altona forced the ball forwards where the pack went right underneath it and Hobbs scouting cleverly was able to race into an unguarded goal and kick truly. Walker followed with a point and then a goal. With Duncan on top in the centre and Thomson impassable at centre half back West Newport were forced to attack around the wings where Peachey was still burning.

Back into attack raced Altona for behinds to Salisbury and Wenlock and then Hobbs got his second goal for the term and West were still scoreless, although they had the advantage of what little breeze there was. On their advances forward Butterworth and Taylor defending strongly but eventually West Newport broke through for two behinds. Mick Allen broke up their next two attacks with nice marks. It had been all Altona and they thoroughly deserved their 45 point lead at half-time.

The second half opened with Altona racing into attack and Hobbs notched his third goal.

Stung into reply West Newport evened up with their first goal since before quarter time. The Altona rucks then took control of the game and ably assisted by Duncan in the

centre attacked almost continually for goals by MacFadyen and Hogan and a point to Walker.

Alan Davies was ably assisting "Bones" Thomson to keep West Newport on the defensive as they broke up West Newport's few approaches to goal. Back into attack through Boyle went Altona and were rewarded when Mike Allen marked and kicked truly.

From the bounce the locals raced forward for a behind to MacFadyen, Haugh, Hobbs and Kearsley. Hobbs kicked his fourth goal and "goal sneak" Allen from a free in the goal square got his second. West Newport scored a point and from Butterworth's kick-off Duncan secured and started an electrifying dash which finished with Wenlock who was again off target for a point.

West kept defending to the pavilion wing, making it hard for Altona to successfully press home their attacks, as both Boyle and Haugh kicked behinds into the cross wind.

The last quarter started with West Newport determined to salvage something from the game and they attacked desperately from the start and had scored a behind, a goal and another behind before Altona steadied and forced the ball around the far wing to find Hobbs who kicked truly for his fifth goal.

Wenlock and Allen led the next attack forward for Haugh to score a behind and from the kick-off Duncan secured and started off like a jet, but bad handball stopped the rush. Ian Rielly marked and the play saw-sawed between the half back lines with West Newport still trying to make their score look a little more presentable.

Duncan, after being grounded warmed up again and was really jet propelled as he secured and flew goalwards, but Walker was on the wrong course and in the collision he managed to take from Duncan and scored a behind. On the next attack Duncan was not to be put off target as he dashed goalwards and drove a long drop through the centre.

Back into attack came Altona and this time Wenlock although being dragged to the ground and down on one knee still managed to score another goal. Tom Hogan marked and had no trouble in scoring yet another major for the locals.

Peachey and Peter Taylor were replaced by "Tiger" McDonald and "Box" McGarry as West Newport attacked successfully for two goals.

Wenlock marked in the goal square from MacFadyen and drove another Altona goal through. Walker from the half forward flank was the next to score as he kicked the 20th and last goal for the home side. Hobbs was off target for a behind and West Newport raced into attack to also score a behind. MacFadyen brought proceedings to a close with another behind and Altona are still undefeated.

West Newport seem to be the victims of Altona's really good games and are not nearly as bad as the scores would tend to indicate. Congratulations to Lou and his boys on a first class game of high pressure team football.

Goals Galore In Altona Hockey Results

It cost 20 cents to see Altona play
Pahran on Saturday and it was the best
20 cents worth you could ever see.

Nine goals were scored and thrills and spills
galore were the order of the day in the heavy con-
ditions. These 22 players have to be congratulated
for a sporting game played at breakneck speed right
to the end.

Right from the kick-off Al-
tona went into attack. Steve
Herman pounced on a long
ball down the middle. He let
go a right foot drive which
had goal written all over it,
but the Pahran goalkeeper
brought off a miraculous save.
Now it was Pahran's turn.
They moved into attack and it
was Craig Copley with a
timely tackle who saved the
day for Altona. Play swung
from end to end, each side
missing good chances. From
one of these chances the
Pahran inside right let go
a tremendous drive and the
first score was on the board.

"Professor" Wilkie was burn-
ing on the right wing. Time
after time he beat the left
back, but hard luck prevented
Altona from scoring and it
was Pahran who went fur-
ther ahead in a lightning raid.
They caught the Altona de-
fence on the hop and Altona
were two down.

Mario Grecco, playing a
real captain's game, kept
pushing Altona into attack.
Stuart Perry, in at outside
left for the injured Coles, took
a pass from Herman, rounded
the full back, crossed the ball
over the keeper's hands and
there was Wilkie. With a
right foot drive he put the
ball into the empty net and
the score was 2-1.

Young Jablonski in a centre
forward position for the in-
jured Roberts, was trying hard
to score the much needed
equaliser, but half-time came
with Altona still plugging
away at the Pahran goal to
no avail.

After the turnaround Al-
tona went flat out for the
equaliser. "Smiler" Vyperen
started to come into the pic-
ture. He swung the ball over
the field to Perry, who lobbed
over a nice ball and it was a
penalty all the way as a
Pahran defender handled the
ball inside the box. Up step-
ped Mario Grecco, placed the
ball on the spot, and with a
powerful kick left the keeper
helpless and it was two all.

Altona went all out for a
third goal. Bobby Milloy was
playing well, but somehow his
passes always seemed to be
intercepted by a Pahran de-
fender. However, it was a
good pass from Milloy which
saw Vyperen back on to the
ball, beat three men in a
magic dribble and the Altona
contingent went delirious as
he slammed the ball into the
net to put Altona in the lead
for the first time.

With grim determination
Pahran moved into attack
and in two minutes the Altona
defence, which had been play-
ing so well over the last few
weeks, panicked. Firstly a
poor header by Craig Copley
saw keeper Brown falling to
punch clear and the centre
forward later in the equaliser.
A second later Jimmy Brown
was again picking the ball out
of the net. Jim got mixed
up with his own player and
the ball trundled over the line
to put Pahran back into the
lead 4-3.

Andy Rice was trying to
take the ball up the right
wing. He passed it into Steve
Herman, who moved it on to
the "Professor." Wilkie took
it right up to goal, tricked
the whole defence and instead
of shooting squared it across
the goal and Steve Herman
side footed it past a mesmer-
ised keeper and the scores
were level once again!

Just when it looked like
finishing in a well earned
draw, which both teams de-
served, up bobbed the Pahran
outside left to rocket a ball
into the net to give the game
to Pahran 5-4.

The players were given a
standing ovation as they
wearily trudged off the field,
covered in mud and glory.

NEXT GAME

Next Saturday brings the
League leaders to Altona, Sun-
shine City, who are a good
team, and fireworks are ex-
pected as they must win to
stay on top of Division 2.
The Seniors start at 2.45 p.m.
and the Reserves at 1 p.m.

RESERVES

In the Reserves match nine
goals were also scored and
play was similar to the Senior
game, except that Altona won
6-3.

Walter Rosenzweig scored
four and the left wing of Von
Nagy and Wynne were out-
standing. "Long John" Col-
lins at centre half played
very well in a good, well-
balanced team which has now
moved up to second top in
the Reserve Ladder.

A RESERVE

Altona played host to
Brunswick. For the next 70
minutes there were some good
patches of hard hockey, but
neither team were decisive
enough to force a goal. Final
score was a nil all draw.

C GRADE (NORTH)

The Altona team expected
the game against Geelong to
be quite an easy one, but were
in for a shock, as Geelong
were into attack from the very
start. It was only strong play
from the Altona backmen and
goalie which prevented them
from scoring. Altona, slow
to the ball and not combining
well, forced a penalty stroke
which McCauley netted. Gee-
long then shot two quick goals
to lead at the interval. Al-
tona then settled down, Doc-
ker scoring a nice goal and
McCauley netting his second
to win 3-2.

BEST: E. McCauley, G.
Shields and H. Doerner.

C WEST

Altona played University
Black at Royal Park in a hard
fought game. Chances were
missed in the circle and this
allowed University, despite the
good play by Altona's halves
and backs, to win 3-2.

GOALS: Buchanan 1 and
W. Smith 1.

BEST: W. Smith, S. Buch-
anan and R. Symons.

D NORTH

Altona journeyed to Gee-
long full of confidence and
completely dominated the
play for the first half, but
were unable to score. Geelong
managed to dribble a goal into
the net. In the second half
Altona's team play was ex-
cellent, but forwards were not
prepared to back each other
up. It was only in the last
five minutes that the for-
wards began to combine, but
this was too late.

Geelong defeated Altona
1-0.

Half, Mark Cibej, kept his
opposing wing forward out of
the game all day, whilst
Bruce Forrester played an ex-
cellent game as goalie and
Peter Egan was in command
of the backline.

COMING EVENTS

All hands on deck for the
bottle drive this Sunday, July
3. It would be appreciated if
residents had their bottles
ready.

A barbecue will be held on
Saturday night, July 2.

POSITIONS ON LADDER

After the first round of
matches Altona's three junior
teams are well to the four—
Under 16's are on top, Un-
der 14's are second and Un-
der 12's are also on top.

In the Seniors C North are
the top team in their division
whilst C West and A Reserve
lie just outside the four.

UNDER 16

Under 16's had their first
defeat when they were over-
run by Toorak at Royal Park
on Saturday. Altona never

looked like holding their op-
position. Too many players
were prepared to let the other
fellow do it and this resulted
in a 5-0 defeat. Drastic steps
will have to be taken if this
attitude continues. This team
has some of the best juniors
in Victoria playing in it, but
they can't do all the work.
Some of the lesser lights must
pull their weight. It takes 11
players giving everything to
win a premiership and that is
certainly what Altona has its
sights set on this year.

BEST: Lensgyn, Blunt,
Ford and Hunter.

Next Sunday all Under 16
players are required to take
part in the club's monthly
bottle drive.

UNDER 14

After a very slow start in
which the opposition, Essen-
don, competing with Altona
for second place in the four,
ran all over the home team
and scored in the first 10 mi-
nutes and looked as if they
would have a walk away win.
Altona rallied and a goal was
scored by B. Duncan from a
perfect pass from the right
wing.

Commencing the second
half determined to win the
team carried the ball forward
continually into attack. B.
Smith starred at centre half
and made it possible with ex-
cellent passing into the circle
for Lukoszek to goal twice.

Swinging the play to the
left side young Peter Byrne,
who played a consistent game
all day in the difficult left
wing position, sent a good
pass to the centre enabling
Lukoszek to goal again. Al-
tona ran out comfortable win-
ners 4-1.

GOALS: Lukoszek 3 and
Duncan 1.

BEST: B. Smith, P. Byrne
Lukoszek and McLennan.

Next Saturday is the big
game against top team Greens-
borough, away at 9.30 a.m.

LADIES HOCKEY

D GRADE

Altona went onto Foots-
cray's home ground expecting
the game to be fairly easy like
the last few games, but they
received a shock. After the
first 10 minutes of play Al-
tona regained their senses and
found the game was going to
be a hard tussle.

With a lot of determination
and systematic play Altona
pushed the ball down to their
goal circle and goal was scored
by Liz Szatkowski. Constantly
playing the ball along the
wings Altona gained many re-
sults with Judy Erickson and
Meg Ruckert passing the ball
through Footscray's backline
and onto the centre forwards,
who hit four more goals dur-
ing the game.

Altona went on to win 5-0.

GOALS: Liz Szatkowski 3
and Nelly Skolny 2.

BEST: Judy Erickson.

LIGHTNING TEAMS CHAMPIONSHIPS

Tonight, Thursday, June 30, the teams championships will be played on a knockout basis at the Altona RSL, commencing at 7.45 p.m. Twelve teams have entered, so a good night of darts is assured.

COUNCIL MEETING

Members are reminded that a meeting will be held on Tuesday, July 4, at the Home- stead, commencing at 8 p.m. sharp.

SELECTORS MEETING

A meeting of the selectors will be held at the conclusion of the council meeting on Tuesday night at the Home- stead to select the team to play Metropolitan League on Friday, July 15.

ROUND 2

Round 2 of the home and home competition will commence next week in which Zone 3 will also take part. Matches for the week ending July 8 (to be played on home ground of first-named teams) are as follows—

ZONE 1

WED.: UCA v. Newport, Laverton v. Seaholme. THUR. Commercial v. Central. Race- course v. Deer Park. Bristol v. Pioneer.

ZONE 2

WED.: Yarraville v. Altona RSL. Plough v. ICI. THUR. Central v. Goodrich. FRI.: Pioneer v. Footscray RSL.

ZONE 3

TUES.: Point v. Plough. WED.: Bristol Patrons v. Racecourse. Altona RSL v. Werribee. THUR.: Pioneer v. Central. FRI.: Footscray RSL v. Werribee. ICI v. Sun- shine RSL.

15th Melbourne Boys Brigade

Firstly this week a warm welcome is extended to L/Cpl. George Faircloth and his brother, Pte. David Faircloth, who are both new arrivals to Australia from the 16th Wigan Co., Britain.

George arrived with an immaculate uniform that had a gleam, characteristic of the British "Esprit de Corps." He also has ambitions of forming a pop group here in Aus- tralia and he intends to play the drums, consequently he has been invited to band les- sons as he may be a potential solo drummer.

Besides this, George is also a very keen athlete, he tells that an attack of tonsillitis in Britain did not prevent him winning the school 100 yards sprint in a time of 11 seconds. Naturally he has been recruited for the gymnastics squad, as fit boys are needed ur- gently.

This Friday parade night will consist of the normal pro- gram, whilst the following Friday will be a slide night and slides of the Pan-Aus- tralian Camp, Yarra Junction Camp and the Jamieson expe- dition will be shown.

The Photographic Art Sec- tion will be conducting a film excursion to see "The Heroes of Telemark" in the city on the third Saturday in August.

A definite date has not yet been set for a weekend camp at Yarra Junction, but about 20 boys will be going if pos- sible.

BEST SQUAD: No. 3 Squad (L/Cpl. D. Moffett).

A. N. T. S. Basketball

Results of matches played by the Altona North Technical School (Ants) in the Victorian Basketball Championships over the past two weeks are as follows—

JUNE 17

History was made on June 17 as the Ants made a clean sweep of it against strong op- position. Seven wins from seven matches is good in any- body's language, but this was only the second time ever that the Ants have managed to do it.

UNDER 18 A GRADE: Ants 45 (Gryzbek 12) d. Pres- byterian 16.

UNDER 18 B GRADE: Ants 31 (Ebeyer 13) d. Kings- ville 22.

ALTONA BOYS

STARRED IN RODEO

The rodeo held behind the Guiding Star Hotel in Brook- lyn last Sunday proved to be the best and most exciting of the local shows staged this year and although riders came from all suburbs the Al- тона boys managed to bring home a few laurels.

Well-known local rider Stan Peel tied with Tom Hume for first place in the buckjump- ing event, whilst Ron Coleman from Altona West won the novices wild steer race despite the fact that he was unseated just after clearing the finish- ing line. Another Altona rider who deserves a special mention is Jeff Nisbett, who made a spectacular fall from a horse in the bareback bronc ride; Jeff was thrown over the animal's head after putt- ing on a good display of rid- ing. Fortunately he wasn't hurt too bad, but he did re- ceive a kick in the head from the beast when he hit the ground.

Besides the normal events there was a skillful exhibition of rodeo-clowning by Irving (Mad Macker), the clown from Texas, Queensland. Also Williamstown Pony Club rider Gerry Stroud tried his luck in the wild horse race and has since decided to stick to Pony Club Gymkhanas.

RESULTS WERE

Bronc Riding: Equal 1st, Stan Peel (Altona) and Tom Hume; Bare-Back Bronc Rid- ing: Equal 1st, G. Tangey (West Foots.) and Tom Hume; Calf Roping: A. Mac- Alister; Bulldogging: Geoff Radford (Braybrook, 38secs.); Novices Wild Steer Race: Ron Coleman's steer was first to the winning post; All-Round Event Winner: Tom Hume.

The judges of the events were Doug Bourke and Kerry Jacobsen. Chute Boss was Scobie Picone and once again Gerry Murphy did a great job as the announcer.

The rodeo could not have taken place without the de- voted organisation of the whole show by Les Jackson, a staunch rodeo supporter. Al- though Les has suffered injury and some hardship through this sport he still continues to aid and promote it in this area. In turn Les was backed up by a good team of arena directors in George (Knocker) Marsh, Dick Chandler and Alan Tipping, who helped in yarding stock, chute working and booking competitor's names.

The pick-up team also de- serves a mention for speed and competence in lifting riders from fiery mustangs and mustering wild stock. They were John Elso (also a well-known rodeo judge), Rex Gresky, Tony Moody and A. MacAlister.

The next rodeo will once again be held in Altona, north of the Wimpey Estate and will be publicised well before hand.

Altona Life Saving Club Notes

Most Altona Life Saving Club activities have now ceased for the next few weeks, except a records night which is being held on Thursday evenings in the clubhouse for boys and girls.

An instructors class will commence in about three weeks on Monday evenings.

RETURN OF TROPHIES Holders of perpetual tro- phies are requested to return them as soon as possible. They may be returned to the club- house on Thursday evening, or to 37 Sargood Street.

EXECUTIVE MEETING The next executive meeting will be held in the clubhouse on Tuesday, July 5, at 7.30 p.m.

ANNUAL CABARET DANCE A few tickets for the cabaret dance on Saturday, July 9, are still available from Mrs J. Byrne, 77 Esplanade.

CONVALESCENT Mrs Jane Smith, who re- cently underwent a major op- eration, is now out of hospital and convalescing at home. The club is pleased to say she is making extremely good pro- gress.

Letters To The Editor

CULTURE AND QUOTATIONS

Dear Sir,

May I, through your newspaper, thank Cr Anthony J. Fisher for his reply to my letter published in the "Altona Star" on June 9.

I expect his desk calendar is a similar type to mine, a fund of quotations. Personally I think that in many cases the over use of quotations shows a lack of original thought.

I sympathise with Altona High School and the Altona Drama Group for the difficulties that arise due to lack of stage lighting when using the Civic Hall. They should realise that the hall was not built for stage productions, it was built for the benefit of ratepayers. Also the cost of buying stage lighting is very high, reported to be \$600-\$866.

Oh yes, the projector—that cost at least \$600.

I remain Sir,
Yours faithfully,

JOHN HARTLEY.

PARTY POLITICS NOT WANTED

Dear Sir,

Some two or three years ago I expressed the opinion through the press (and have done so since) that party politics had no place in council affairs and that there was a danger of outside interference in our local affairs.

This latest unwarranted interference on the part of the State ALP Conference in making it mandatory for Labor-controlled councils to grant their employees a 35-hour week must surely prove the point I made and which was hotly denied at the time.

Whether I am in favour of a 35-hour week or not is beside the point, but I am concerned about the answers to a great number of questions. They are—

(a) Does the council intend to be bulldozed into a decision by an outside group;

(b) Does it not know that this is a matter for a properly

constituted arbitration authority;

(c) How long will it be before they are directed to grant a 30-hour week, then a 25-hour week; and

(d) If the 35-hour week is granted how much is it going to cost the ratepayers in extra labour or overtime at penalty rates.

Although I and a lot of people would like unambiguous answers to the above questions, I doubt if I will get them, but one can always hope.

I found G. F. Stirling's letter ("Star," June 16) rather stimulating until I read the second last paragraph in which he accused a previous letter-writer of belonging to an organised letter-writing brigade. My my, this is the old line which I thought had been superseded long ago and I am sure that if G. F. Stirling had given the matter even a little thought he could have come up with something a little more subtle.

It rather reminds me of the old story, "Everyone is out of step except my Johnny." I don't belong to any letter-writing brigade, but I do belong to Altona and have done so for 25 years which is probably longer than most of the councillors and I still believe that there is no place in our council for anyone who is open to outside pressures and the fact that the Labor councils were to have a meeting to discuss this instead of discarding it out of hand, must add some point to my thought.

Your correspondent G. F. Stirling ("Star," June 23) has as usual strayed from the straight and narrow path by introducing extraneous matters to confuse the unwary. How the 44 and 40-hour week was achieved is quite beside the point, although we all know that these benefits were obtained correctly through arbitration.

The crux of the matter which he carefully avoided is the legality of an outside political party dictating on matters which will seriously affect the financial position of the Shire.

Finally both myself and many people would like a statement from our councillors as to their attitude on this matter or are they waiting (a) further instructions; or (b) until after the August elections. I feel that the ratepayers have a right to know.

A. E. MILDENHALL.

QUESTION UNANSWERED

Dear Sir,

It was interesting to note that the letters of both Mrs. Dickson and Mr. Jeavons ("Star" 23rd June) omit any reference to the matter raised in my letter ("Star" 16th June).

That was the opportunity, at the Public Meeting at Altona North, for Cr. Crofts to 'Work for the removal of the Briquette Depot', as stated in his election manifesto, although he was in attendance he made no use of the opportunity.

Instead we read that Mr. Jeavons has voted Labor more times than I have,—this could be so, assuming that he is an older man, and also he includes the old Liberal coined phrase of 'faceless men'.

The reference to 'a dedicated follower of the cult', I accept, if the writers interpretation means, being a loyal member of the Australian Labor Party. One would hardly use the word 'cult' as a description of such a Party, that has been responsible for many great achievements in the history of this great country, such as the establishment of the Commonwealth Bank, Invalid Pensions, Maternity allowances, Widows Pensions, Establishment of the Snowy River Scheme, the building of the East-West Railway, the Royal Australian Navy, the Supreme War Effort; to mention but a few.

Yours respectfully,
G. F. STIRLING.

COMMUNAL AMENITIES

Dear Sir,

On my arrival from England in 1949 I came to Altona to live with my sister and her husband Mr. and Mrs. A. W. Lamb, now of 14 Cain Court. Since those early days, I have resided in Queensland for eight years and now Sydney for six years. During these years of absence from Altona I have returned for visits on various occasions and during this time, I have been aware of the great progress taking place. Schools, Youth Club, Scouts and Guides, Life Saving Club, Sections of sea-front cared for by various bodies, Library, Hospital, Spacious playing fields surrounding an excellent Civic Centre Building all these things and more, add up to Progress of the very best kind. All Altonians should be well pleased with so many communal amenities. Working Men's Club, Yacht Club yet another two items.

I spent Queens Birthday weekend in Altona and decided to write to your newspaper on my return to Sydney and this I am now doing.

To friends I have already stated, "That those who are not happy and satisfied in Altona, then these unfortunate folk wouldn't be happy anywhere, generally speaking that is". Perhaps this is the finest compliment which I can pay to Altona, and, but for my commitments in community affairs here in Sydney, I would most certainly return to Altona.

Trusting sir, that this letter will meet with your approval.

Yours faithfully,
E. C. Bellchambers.

Go by VALUE..

If you're after the car that gives you the most features for your money as a family-sized economy-car, or as a business car for your fleet, go for Cortina. Cortina gives you 5 to 6 passenger room, a huge 21 cubic feet luggage boot, choice of 2-door and 4-door models, up to 40 miles per gallon, 6000-mile oil change and lubrication, 4-speed, all-synchromesh gearbox, and a choice of 2 race-bred engines.

THE BEST-VALUED CAR IN ITS CLASS!

1. Front wheel disc brakes—for faster braking, added safety; 2. Windscreen washers—for extra driving convenience and safety; 3. More engine power—more torque—for even higher performance and better low-speed flexibility; 4. Aeroflow ventilation—for air-conditioned luxury. Aeroflow draws fresh air in through

adjustable intakes on both ends of the instrument panel; 5. Air extraction vents—for a complete change of air inside every 40 seconds; 6. Smartly patterned vinyl upholstery—for added style and longer life; 7. Deep-dished steering wheel—for still more safety; 8. Lighting control antenna—for finger-tip lighting control; 9. Seat-belt anchorages—for Lap and Lap/Sash seat belts; 10. 6000-mile oil changes—plus 6000 miles between routine servicing.

There are four Cortina models—the "220" and "240" (shown right) 2-door sedans, the "440" (shown top) 4-door sedan and the GT 4-door sedan.

ALTONA JUNIOR FOOTBALL CLUB
Altona Junior Football Club once again thanks their very many local band of supporters, amongst whom are Ned and Lillian Miller, who travel from Brunswick every week—that's keenness for you.
Also Mr and Mrs Bon Deacon, the Mums and Dads who are regulars, the ones who are not, but we hope soon will be, Jimmy Thompson and Tom Marriott. Jim Wood, a real "dyed in the wool" Altona man, the seniors who come along Sunday after Sunday and the other 950 odd whom, we hope, enjoyed the game.
A special thank-you to Dave Wenlock, goal umpire, John Sturrock, who ran the boundary, Stuart and Michael Mochon, Lorna and Irene Thompson for their capable management of the kiosk, Lynn, Gail and Kay for the special effort (won by the president, Mr Bert Mildenhall).
This week also we must thank Tippet's Milk Bar, Seaholme, Mrs McLeod's Milk Bar, Somers Parade, and Sam Italia, Altona Foodland, for their assistance and generosity—a very hearty thank-you.
NEXT GAME
Next Sunday is the game of the season when Altona meet Central Altona at their home ground, Langshaws Reserve, at 2.30 p.m. Go along and help with your continued support.

WESTERN SUBURBAN F.L.—UNDER 18**CENTRALS WEAR DOWN WERRIBEE**

CENTRAL ALTONA 3-1 5-1 12-6 14-8—92

WERRIBEE 5-1 8-2 11-3 13-5—83

GOALS (Central Altona): A. Montgomery 6, D. Hendry 2, W. Kennedy 2, M. Lawrren 2, N. Davies 1 and R. Harris 1.

BEST (Central Altona): M. Lawrren, N. Davies, R. Calister, R. Smutney, R. Hendry and W. Kennedy.

The game commenced with Werribee kicking four goals in the first 10 minutes as Central Altona did not seem to be too much concerned with the game.

But then goals by N. Davies, D. Hendry and A. Montgomery kept Werribee to a lead of 12 points at the first change.

In the first 10 minutes of the second quarter, goals by W. Kennedy and A. Montgomery saw the scores level for a brief moment.

Then Central Altona once again lapsed badly in concentration and with some foolish free kicks allowed Werribee to kick three goals to lead by 19 points at half-time.

Coach E. Jepsen lashed out at half-time and the Werribee team saw the brand of football which makes a good team in the third quarter.

Goals by A. Montgomery (3), D. Hendry, W. Kennedy, R. Harris and M. Lawrren and a defence playing closer to their opponent, Central Altona held a lead of nine points at three quarter time.

In the last term Central just coasted and goals by M. Lawrren and A. Montgomery kept them ahead at the last bell.

Once again Mick Lawrren played a brilliant game of football, dominating the ruck and winning kicks all over the ground.

M. Davies, when shifted from centre half forward to the centre in the first quarter to lift the side, really showed what a brilliant footballer he can be. Gave the forwards a feast of kicks and showed a fine pair of heels with 50 yard runs.

R. Calister, playing on the half back flank, showed what sheer determination can do to lift a team, as he continually drove Werribee back.

PIE NIGHT

There will be a pie night for Central Altona Under 18's tonight, Thursday, June 30, at South Melbourne Football Club. All players are asked to be at coach E. Jepsen's residence at 7.30 p.m.

Altona Lacross**D GRADE**Altona Lacrosse Club 1, lost to Williamstown 32.
GOAL: B. Cook.
BEST: K. Little, B. Mc-Minn and R. Little.**Western Suburbs Schools Association**

All schools are asked that their delegates attend Altona North High School on July 4 at 7.45 p.m. for the next meeting. Mr. Val Clark of West Newport and Altona North High has been elected to the executive of V.I.C.C.S.O., Victorian Council of School Organizations.

Unsatisfactory Sanitary Service

It appears workmen employed by the sanitary contractor are not doing the job as they should reported Cr H. W. Lee to the Altona Shire Council last Tuesday night. He said residents complaints regarding clean pan trouble are not being rectified and thus reports to the Health Inspector are not achieving results. Cr Lee pointed out that the Shire is now paying more for this service and thus the best service is required. He feels the contractor may be upset by these remarks, but perhaps publicity will succeed where other methods have failed.

Altona Basketball Club Results

No. 1 team defeated Canterbury 42-18.

In the first half Canterbury could only score two points, while Altona had 26 on the board. Robert Johnstone, Barry Knight and John Carr proved to be a successful combination for Altona's fast break.

Robert and Barry each scored 12 points. In the second half these two players were relieved to give some younger members a run. The play was about even in this term. This victory puts Altona back in the four.

No. 2 team went down to Fitzroy 23-21. In a very evenly contested game Fitzroy came out to win narrowly. Fitzroy now replaces Altona on top.

Altona East Primary School Sports**FOOTBALL****FIRSTS**

Before this match both Altona East and North Williamstown were equal on the ladder on points, with Altona East holding second place on percentage. With a chance of playing in the finals at stake, a determined and spirited Altona East team overran North Williamstown to win well, 8-9-57, to 2-6-18.

GOALS: M. Cassar 2, R. Harfield 2, K. Brophy 1, G. Williams 1, R. Olcorn 1 and G. Fullarton 1.

BEST: Martin Cassar (ruck), with good strong play, won many hit-outs and drove Altona East forward; James Ryan (centre half-back), with strong, clearing dashes, controlled the backline; Geoff Carroll (rover), roved tirelessly around the packs; Don Mills (full back), turned many N.W. attacks; and Graham Fullarton and Ray Harfield also played well.

SECONDS

North Williamstown won well, 7-5-47, to Altona East's 2-0-12.

GOALS: J. Herman 2.
BEST: S. Wilkinson, J. Bonnici, N. Nedelkopoulos and J. Herman.**BASKETBALL****FIRSTS**

North Williamstown defeated Altona East 18-15 and has probably ended East's chances of making the finals, as both teams were level in second place before this game.

GOALS: D. Deluca 8 and P. Deluca 7.

BEST: Marion Colquhoun (second defence), who has gained many votes this season; and Wendy Welgus (first defence).

SECONDS

Altona East defeated North Williamstown 14-11.

GOALS: S. Hatzis 10 and S. Carabott 4.

BEST: G. Yardley and A. Sawopoulos.
